## TERMS OF SALE

**All bids by mail.** We have over two thousand customers who are interested in these sales. They live in every state of the union, and in some foreign countries. They can not all come to Freeport in person each month to attend an auction. In fact, not one per cent of them could do so. In fairness to those who live at a distance, and cannot attend a sale in person, we request all bids to be sent in advance of the sale, by mail.

**Coins will be bought below your bids** where other offers permit, as this is competitive bidding, executed in good faith.

**No unlimited bids** will be accepted from anyone, at this sale. Mark your highest limit or bid on the bid sheet, and we will buy as much under this price, as other actual bids permit. **Get your bids in before the date of sale.** Don't wait until the last minute. Help us with our work and we will help you get something.

The usual charge of 5% will be made for executing your bids, and for packing and sending out material. No charge is made on anything not actually purchased. Postage and express is paid by the purchaser.

Receipted bills are not sent out after your remittance as this is unnecessary. **Your check, draft or money order itself is a receipt.** However, if a 3-cent stamp is enclosed we will send receipt.

**Be certain that you bid on the lot you wish to buy.** We will correct errors and adjust claims, but you should not expect us to pay for **your mistakes.** Be careful in making your bids. Be sure that you bid on the lot you wish to buy, and **at so much per piece.**

**Bids must reach me by the morning of the sale.** Mail them in time so as to avoid disappointment. At each sale some bids arrive too late to be executed.

Between the seller and buyer, my position is describing the condition of coins and bills has been neutral. My classifications are generally considered to be conservative by the collecting public.

**It is easy to bid by mail.** If you do not know how much to bid on any items, write me giving numbers in catalog and I shall be glad to inform you as to values. It is useless and a waste of time to make low bids that have no chance of success. I sincerely hope that each collector acquires some nice lots from this sale that give him a real thrill and joy of satisfaction.

New bidders or customers sending in bids for the first time must positively give first class reference, bank reference preferably, or else send a deposit of at least 25% of the total amount of bids. Otherwise, their bids will not be accepted; application of such deposit will be made upon successful bids; the seller reserves the right to demand payment upon successful bids before delivery in his sole discretion. To those known to me who have established credit, a

reference or deposit is not necessary and purchases will be sent out promptly after the sale. In appreciation of this courtesy the purchaser remits promptly.

**The terms or prompt cash settlement** after sale, and no time given. Collectors who are not certain that they can pay promptly, are asked not to bid. The coins in the sale are the property of my clients, and I must make prompt settlement for them.

**Remit by money order, draft, check, or in any way most convenient. Stamps accepted for accounts that are below one dollar only.**

All coins and other items are guaranteed genuine, unless otherwise stated.

Please bid by the piece unless stated to bid for the lot. Thus, if there are 12 pieces in a lot and you wish to pay \$6 for the lot, then bid 50c. At each sale someone bids by the lot. Don't do this—bid by the piece.

**NOTE**—A printed list of all the prices realized at this sale will be sent for fifty cents (50c). Send coin or stamps with your bids so as to reserve a price list, or if you prefer, we will add the cost to your bill of items purchased for you at this sale. Keep posted on coin values as they are today, and order a price list in advance of the sale. After the sale they cost \$1. Before, they are 50 cents.

### **U.S. SILVER DOLLAR OF 1852**

1149. 1852 U.S. Silver Dollar. Very fine. Only 1100 pieces coined of this date, and now extremely rare, with records over \$100 in this condition.

### **RARE SWEDISH PLATE MONEY EIGHT-DALER OF 1662**

1150. 1662 Sweden copper "Plate Money" 8 Dalers, of Charles XI. Rectangular plate with rounded corners,  $12\frac{1}{4} \times 21\frac{3}{4}$  inches, weight 26 pounds, Four round counterstamps in the corners: CAROLUS. D: G: SVECO: GOTO: WAN: REX around crown over 1662. All of the counterstamps are very fine and even, except one, where the customary uneven surface caused an uneven impression. The center impression is fine and circular, stating the value: 8 DALER SOLFF MYT. Excessively rare. One of the world's largest coins, and also one of the most interesting. Very few in existence, a similar one being in the Swedish National Museum in Stockholm. For those who wish an estimate, my guess is \$500 to \$700. It may bring more or it may bring less. No unlimited bids will be accepted, as they have been discontinued at these sales. State your highest limit, and it will positively be sold to the highest bidder and as much under his limit, as the second highest bid permits. This is the first genuine 8-daler piece ever offered in our sales, and to my knowledge, the first at auction in this country.

END OF SALE

**DON'T FORGET** to request a price list when you send in your bids. Only fifty cents will be added to your bill after the sale. It will be an interesting study to go over the actual prices that coins are bringing in the open market today.

## CATALOGUE LISTING AND SELLING IS PERFECTLY AMAZING

(The Rev. Fred W. Harris collection was sold in our 129th sale last January.)

Mr. M. H. Bolender,  
Freeport, Ill.

Dear Mr. Bolender:

I hardly know how to express my appreciation to you for the help you have given us in disposing of this material. Your method of catalogue listing and selling is perfectly amazing to me and the check you have sent has been a real surprise.

We turned the collection and the quantity of unorganized material over to you with the utmost confidence and I assure you the feeling has not lessened during these weeks. As a business proposition I feel sure there was no other way, and your kind courtesies have made it more than a mere business deal. There is some satisfaction too in knowing the material is now giving pleasure and satisfaction to the ones who obtained it. Thanking you with a full heart.

Sincerely yours,

(Signed) MRS. F. W. HARRIS.
